The "Rad" Report

Reflecting on our past and recognizing our accomplishments is one way to determine success. Creating memories allows us to realize where we have come from and enables us to shape our future. Hopefully the memories that you have created this past year at J. Percy Page are illustrated in the pages of this yearbook and you can look back and fondly remember your successes. Being a positive citizen and contributing member to our learning community has provided you the opportunity to make a difference in the lives of those around you. Every friend, every teacher, and even friends you have yet to meet will play an important role in your future. Be wise and keep those influences close to you as you embark on life's journey.

Thank you for making J. Percy Page your school of choice and I hope that you had a very rewarding and successful school year. It has been a pleasure and an honor working with you as the principal of J. Percy Page. Your future is waiting for you – go out and capture it!!

PAGE LEADS THE WAY CELEBRATING COMMUNITY

Community, diversity, and celebration are all words that encompass the spirit of J. Percy Page. Whether it be through Student's Union activities in the Pit such as Panther Pride Week or the Halloween Fashion Show, or celebrations in honour of the various ethnic and religious groups that comprise the student body, Panther spirit shines throughout the year.

PAGE'S STUDENTS "LEAD" THE WAY

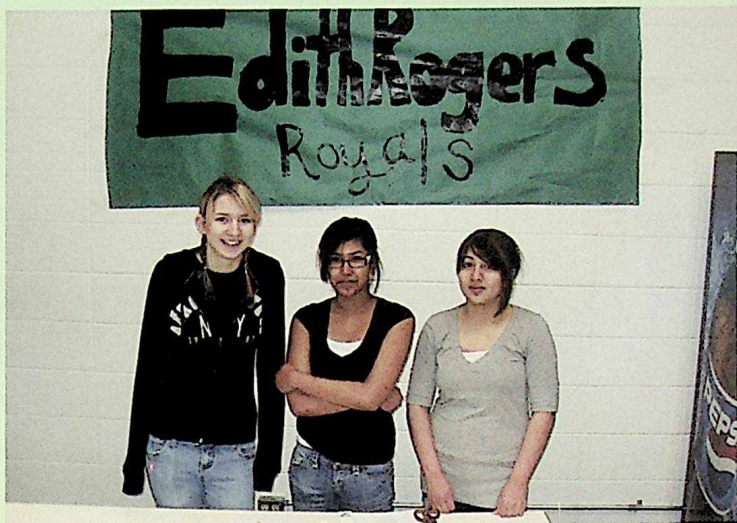

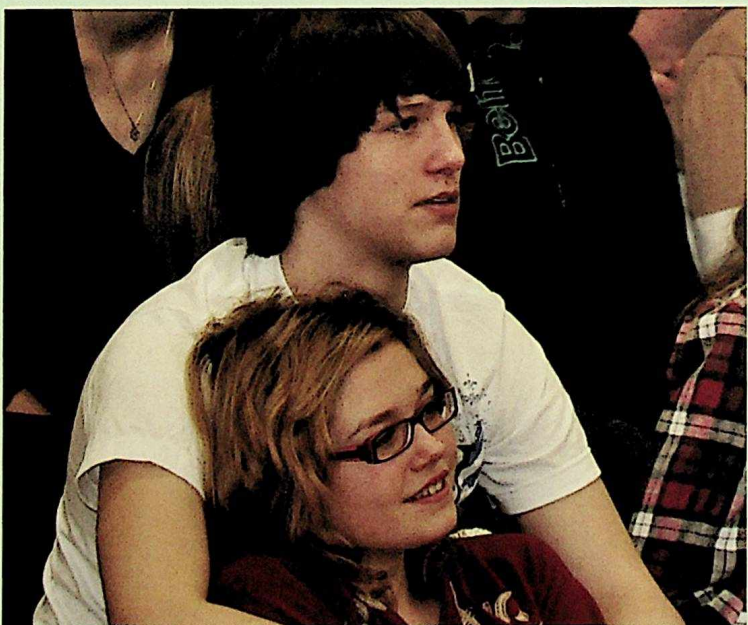

Page students were treated to the inspirational story and words from Spencer West a speaker from the organization Me to We which, in partnership with Free the Children, works to bring a new level of social awareness to today's youth. As well as a school wide assembly, the Leadership students were able to spend a life-changing weekend with Spencer.

Under the supportive guidance of Mrs. Lyons, Page's Leadership Class and Student's Union hosted a number of amazing events and guests at the school this year.

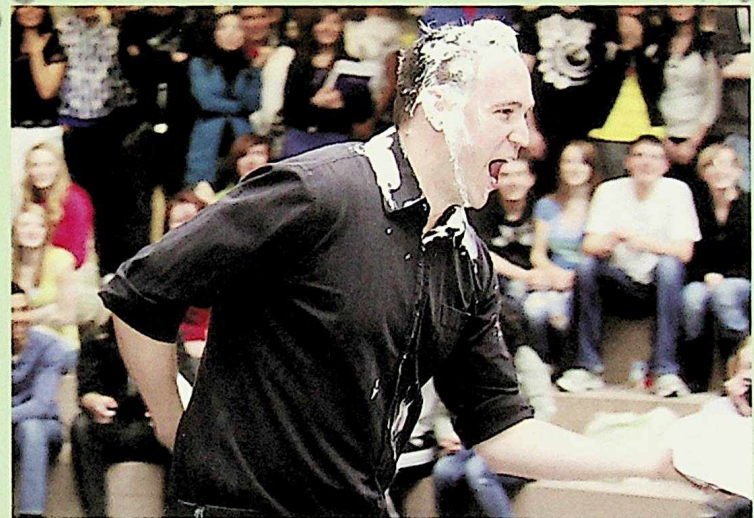

Page Leadership students hosted "The Way In" - a weekend event to introduce future Panthers to the possibilities of life in high school.

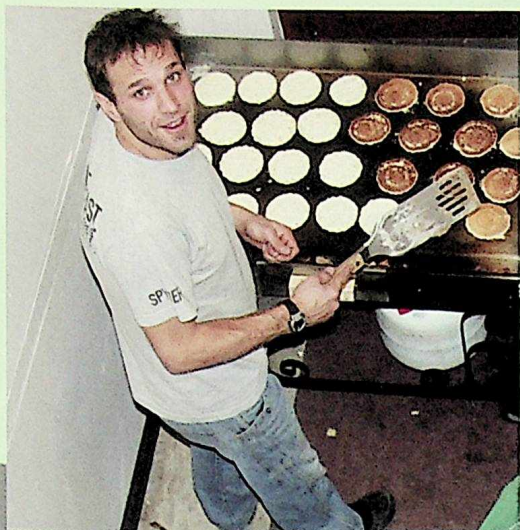

A special assembly was held for Grade 10's where Phil Boyte visited Page to discuss the importance of creating caring communities both within our walls and in our lives. Capturing the attention of a delighted audience he showed that clear communication is central to something as simple as making a peanut butter and jelly sandwich.

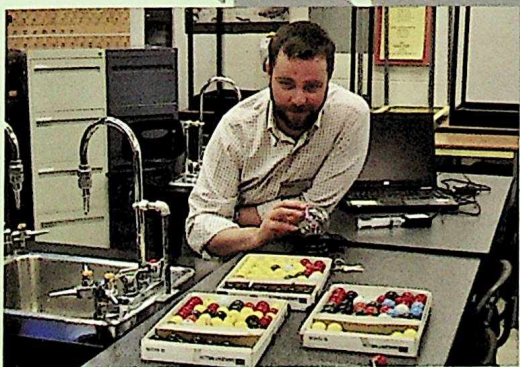

THE PAGE COMMUNITY CELEBRATES

This year's celebrations created a sense of community throughout the hallways of Page. Collectively we discovered that while learning happens within the confines of the classroom, it also occurs in those special moments where students, staff, and members of the Edmonton community come together to laugh, sing, create, and share life's happiest moments with one another.

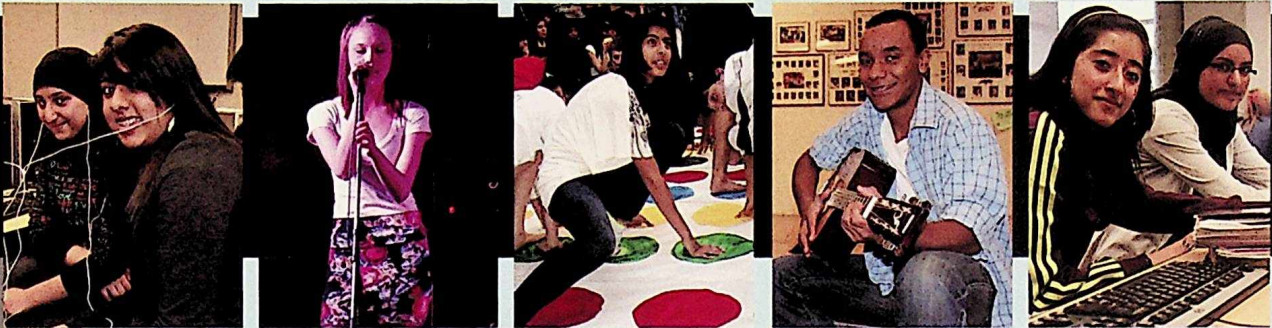

TOUCH OF CLASS... HALLOWEEN... PI DAY... OPEN HOUSE... CHRISTMAS CELEBRATIONS... VALENTINE'S DAY...

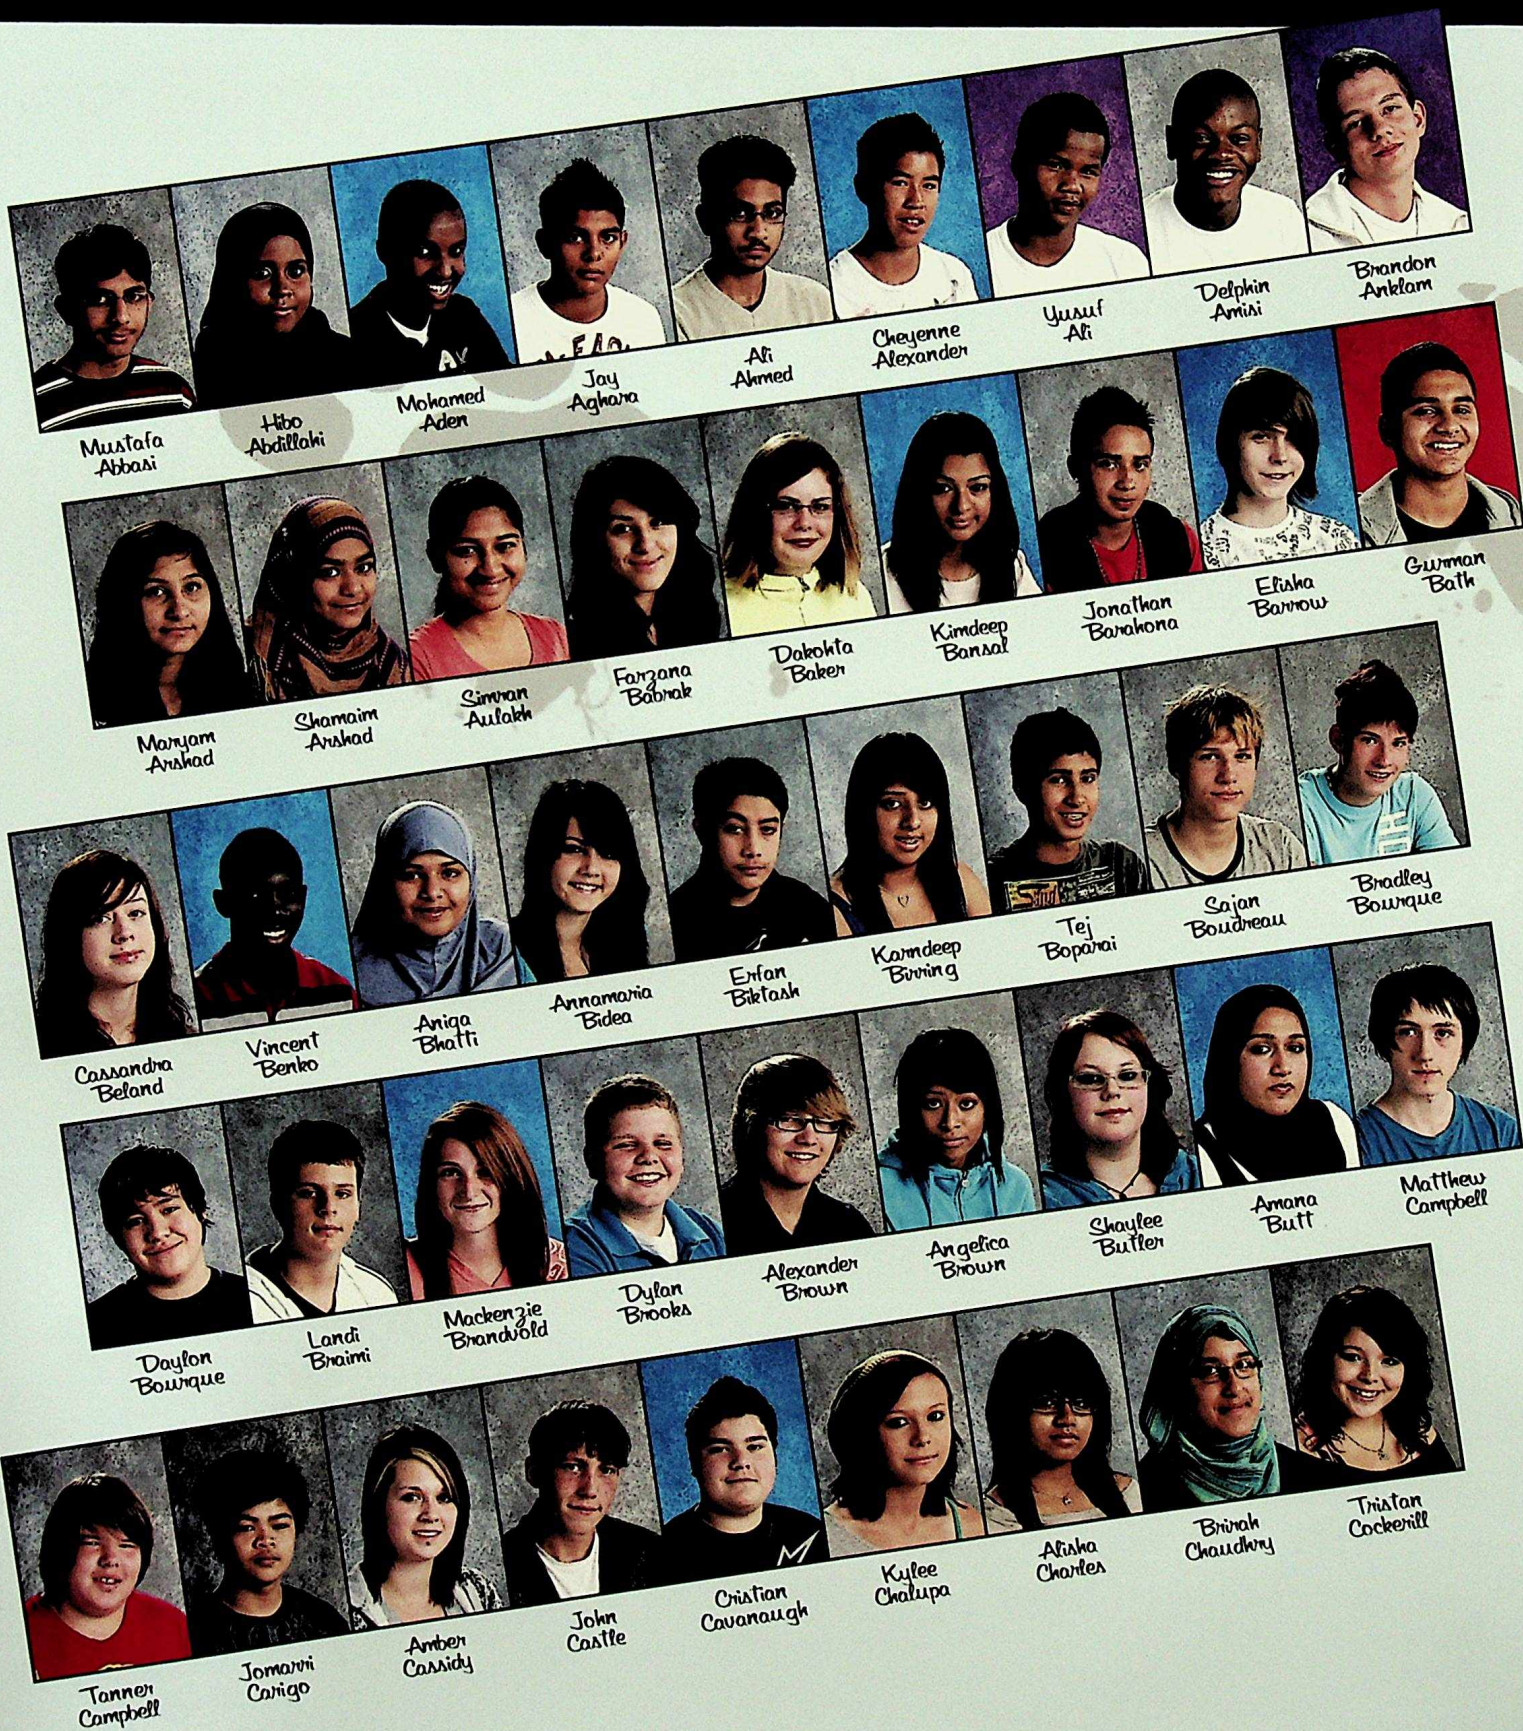

THE JOURNEY BEGINS: THE CLASS OF 2013 FINDS THEIR FOOTING IN GRADE 10

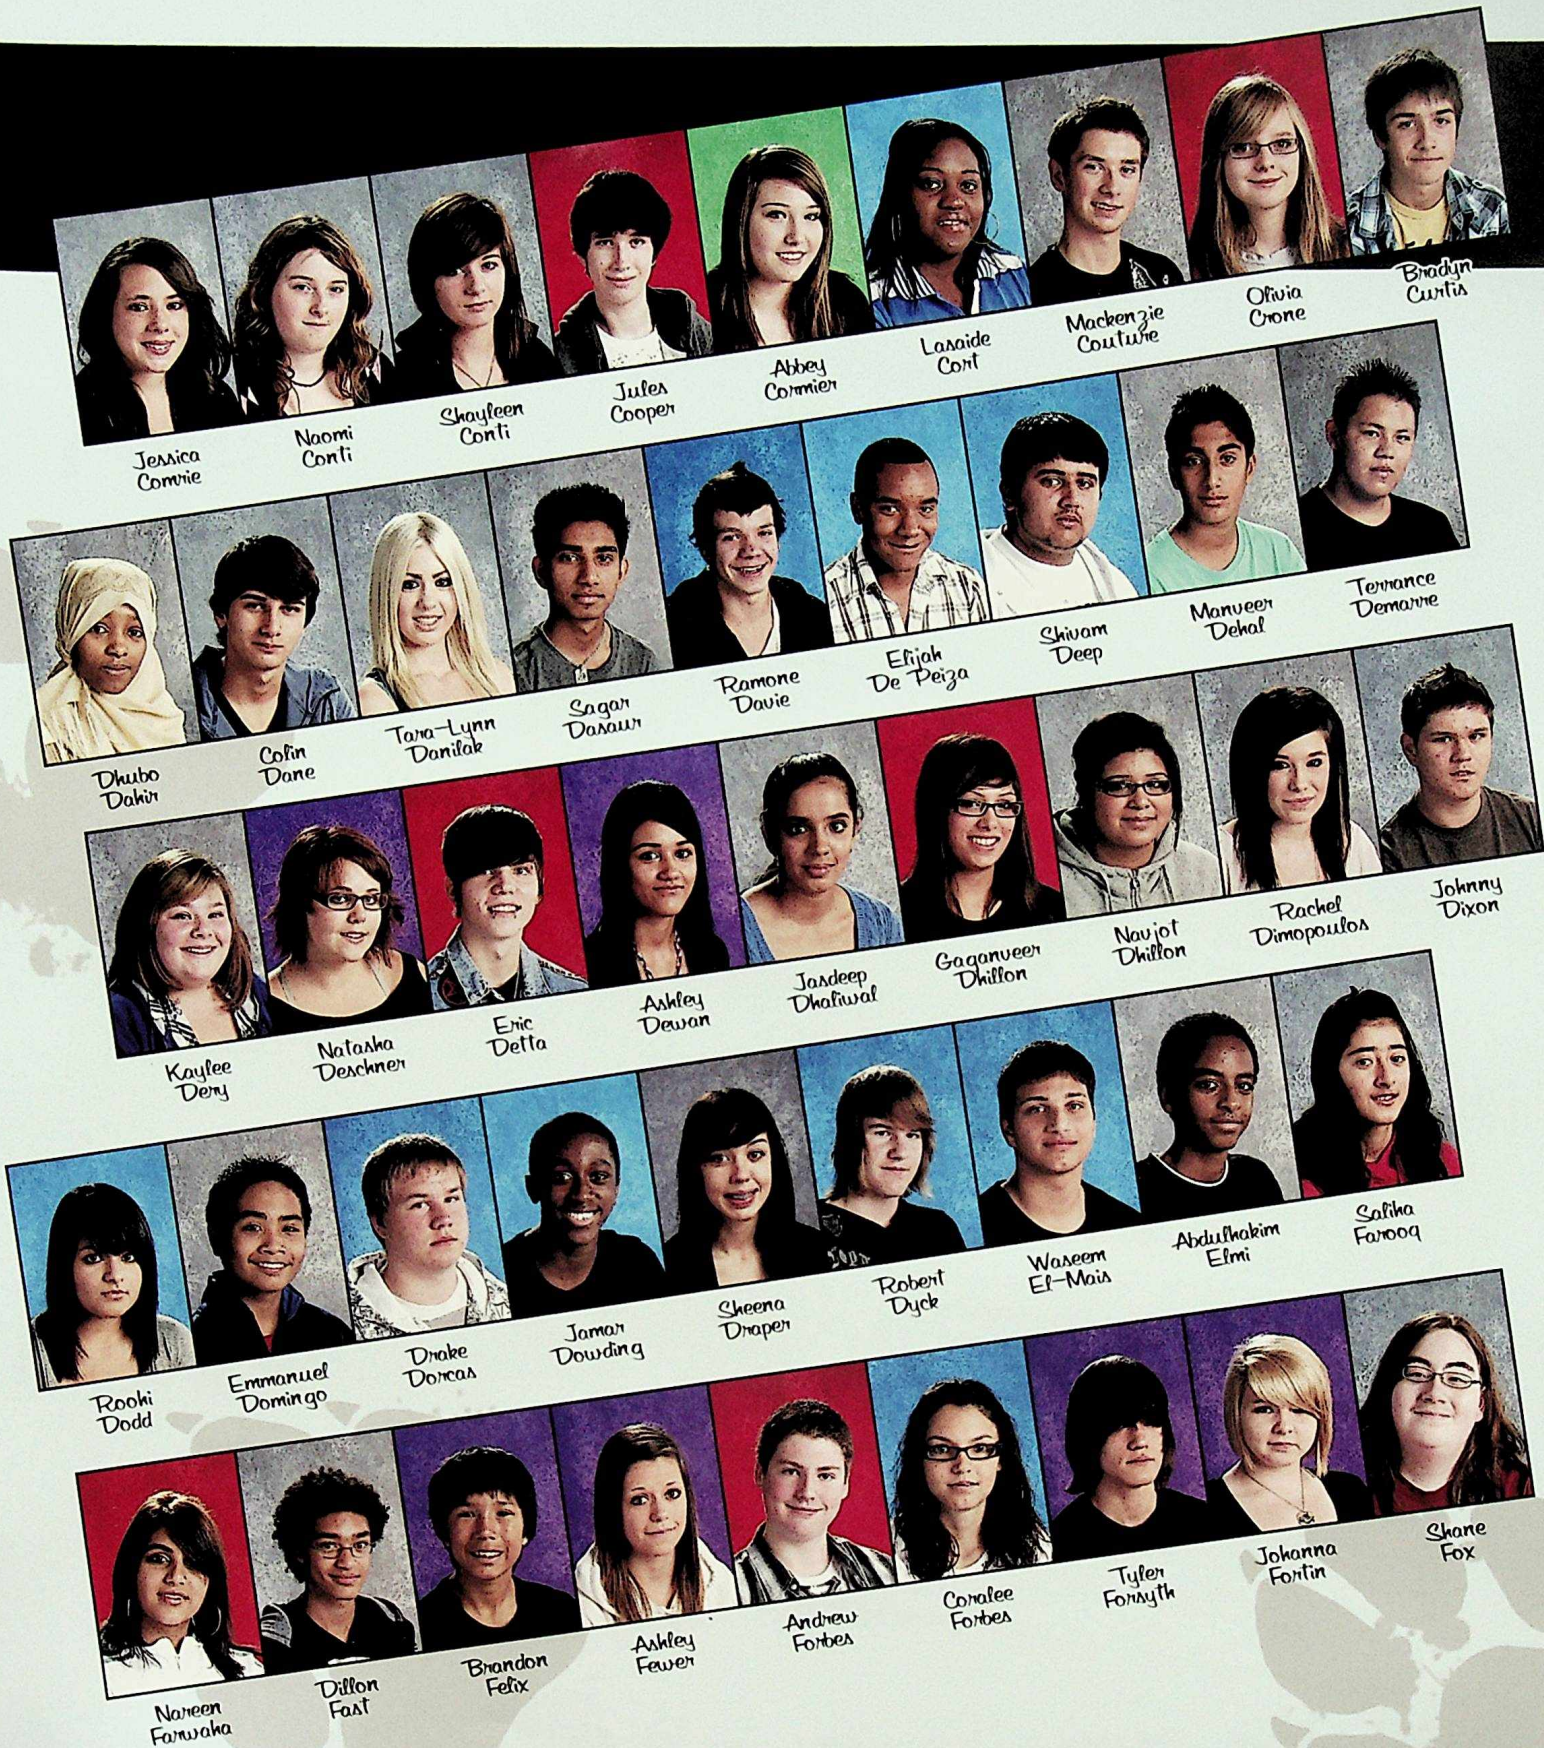

At the beginning of Grade 10 you enter high school to find yourself feeling somewhat lost and displaced. At first, you don't know what to do as you quickly realize that the ground is shifting beneath your feet, with this feeling begins the struggle to keep up and find new footing. You are left wondering if your friends are still going to be there or if you're going to have to make new ones. You wonder what cliques, clubs, groups, and teams you're going to join. All in all it's a pretty scary, new environment where you realize some people aren't going to like you, some people are going to break your heart, and in turn you may too break someone else's heart. As we grow and learn we discover that in the end it's all part of life and that, as stated in the movie *Ghost World* (2001), "High school is like the training wheels for the bicycle of life." Meaning this is only the beginning and that while not all things are going to be easy, challenges are the challenges you face also won't be the end of the world - Life will go on. Of course you might have some setbacks but, if you stay focused and surround yourself with good friends, you can conquer anything. By the end of the year you realize the once intimidating new school that you entered in September, feeling like you needed to conform in order to be liked by everyone, is really the place where you have the safety and freedom to find out who you really are and want to be. There are a lot of good things about high school, it really teaches you to be mature, and sets you up for things you want to do in your future. If you make the most of the opportunities in front of you, it can be an amazing experience, one that begins on that first day of Grade 10, and continues until the day you walk the stage at graduation. They say high school is filled with some of the best times of your life, it is definitely one of the most challenging, but ultimately this year is something we are fortunate to have shared together.

PAGE STUDENTS AND STAFF STRIVE TO MAKE A DIFFERENCE

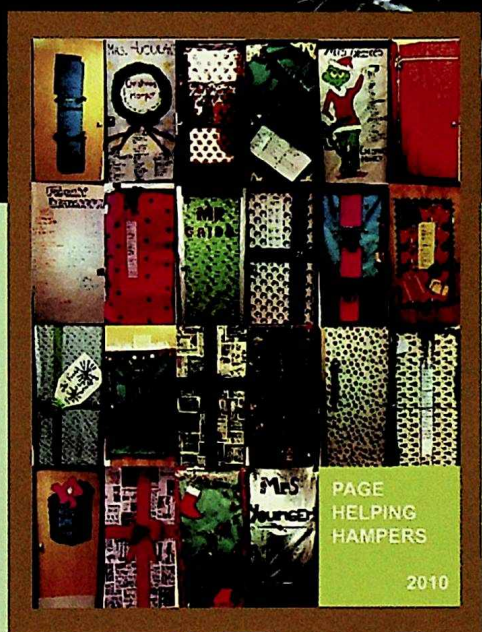

Community service is an important part of student life at J.Percy Page. We pride ourselves on a strong commitment to giving back to the community - both locally and globally. Thanks to the tireless efforts of staff and students this year, a variety of fund-raising and community awareness events were held through which all involved were able to help show that Panther Pride is alive and well. Events this year ranged from the Annual Terry Fox Run to new events such as the 30 Hour Famine and a Bike-A-Thon,

Right: Mrs. McCollough and her English 30 class raised money this year to buy mittens that they could then take downtown to give to those in need. Stops along the way included the Mustard Seed and Boyle Street.

J Percy Page KIVA Club

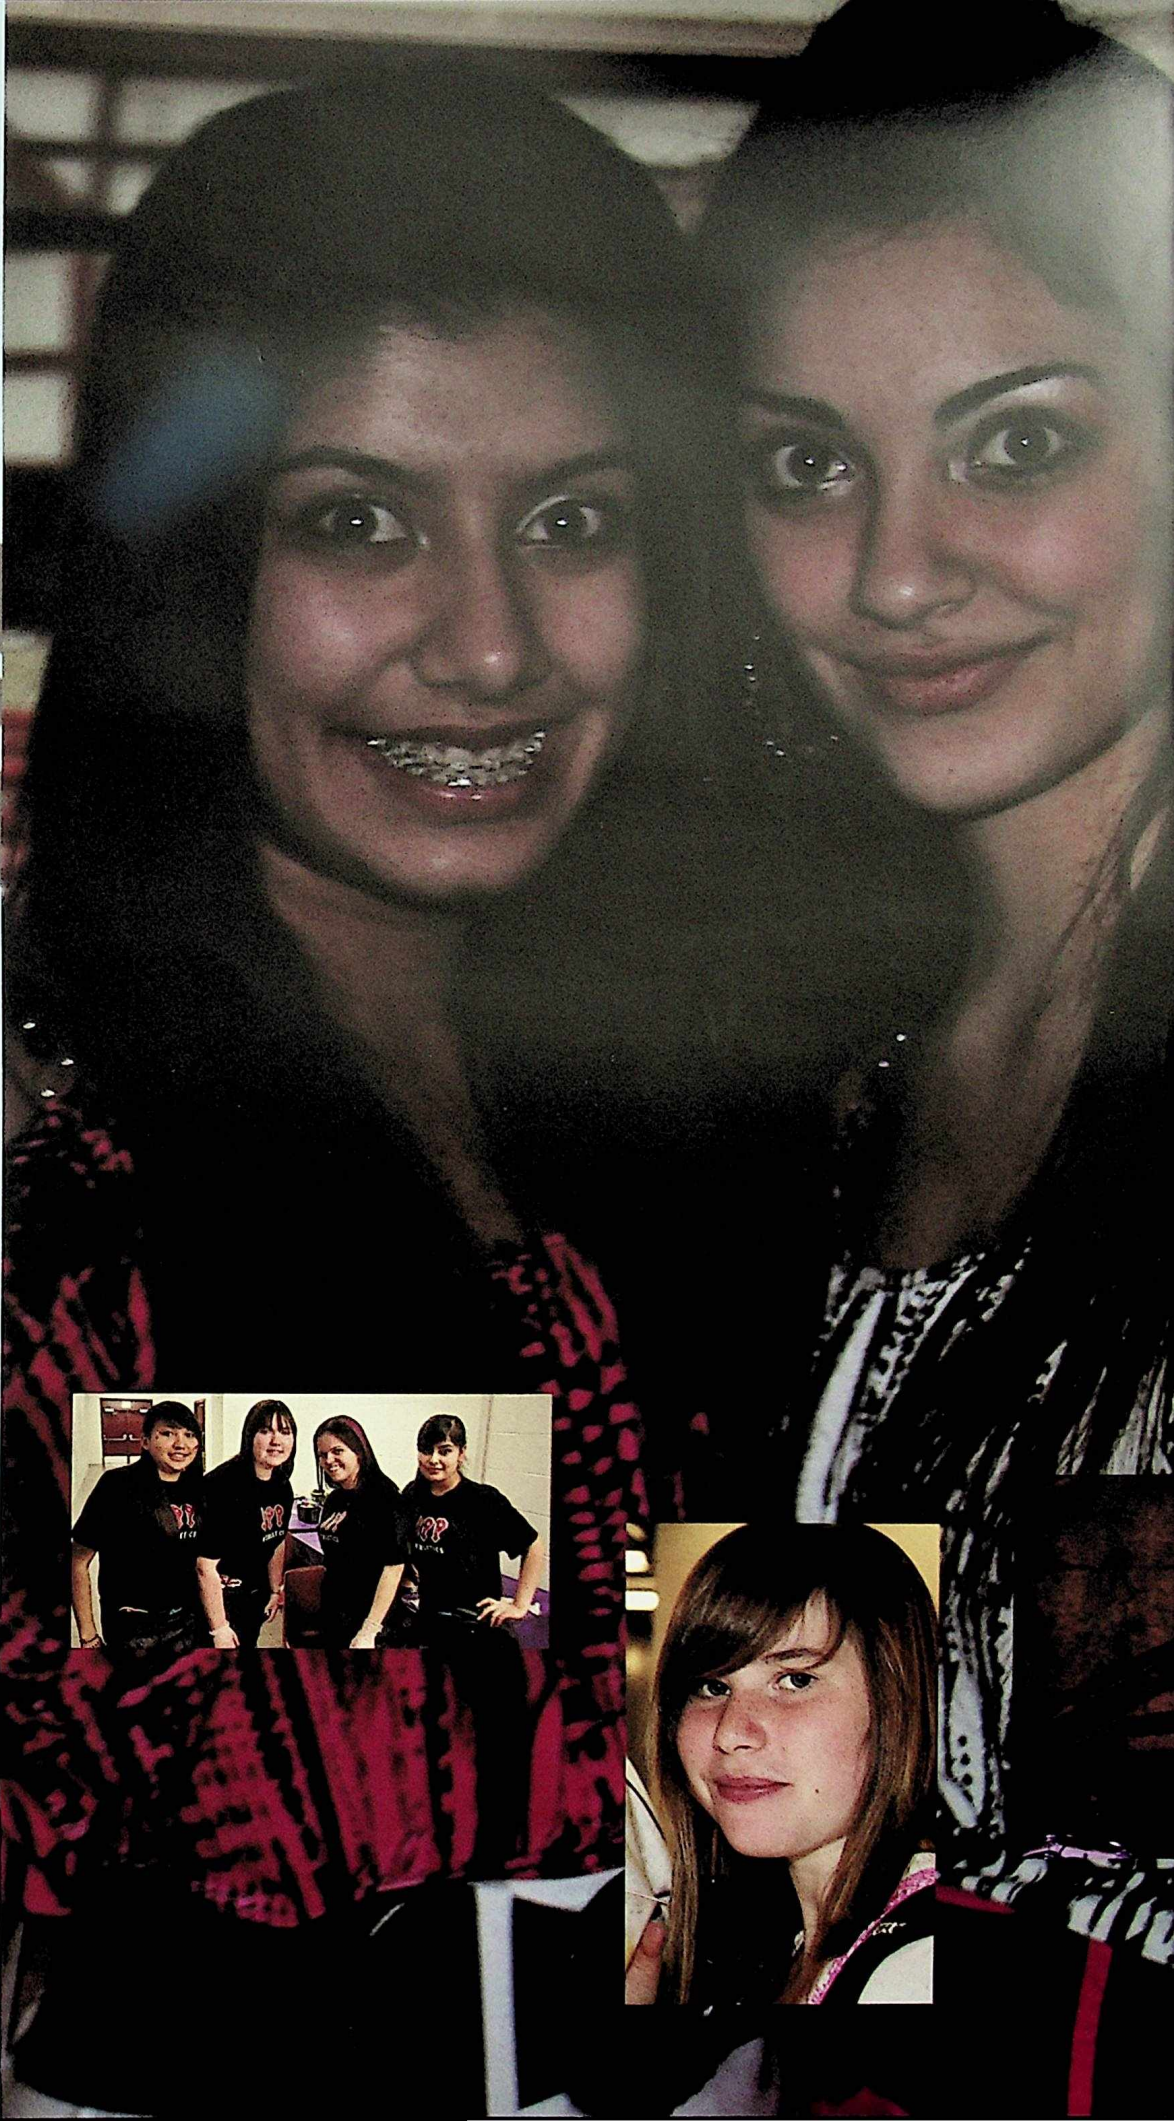

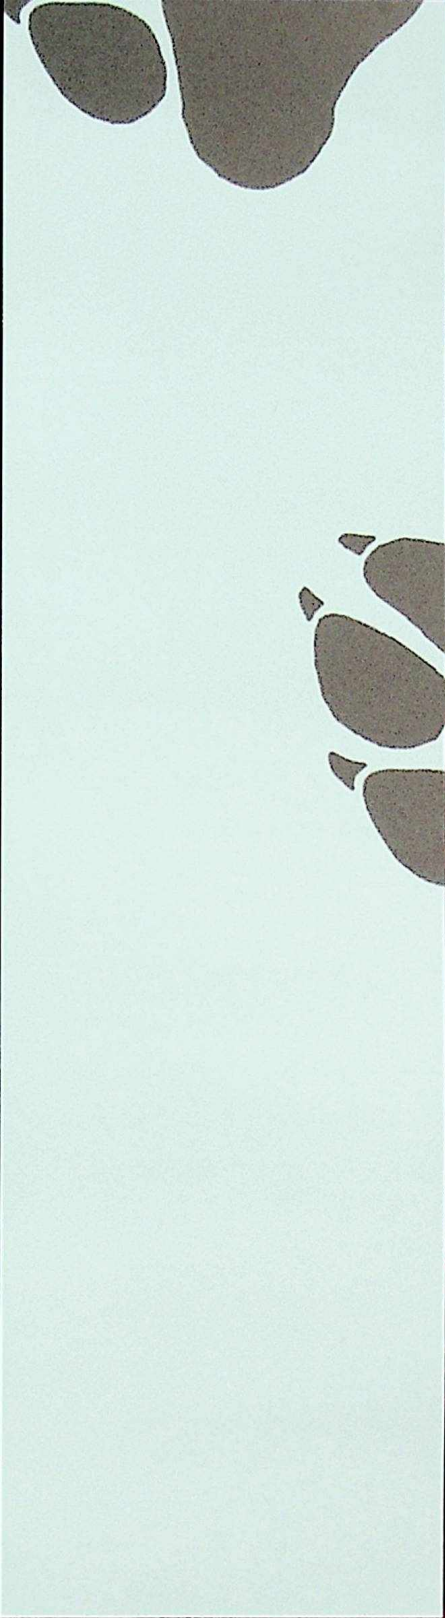

This year I had the privilege to begin the KIVA club due to several students at Page who were interested in making a difference in the lives of people who are unable to provide for their families. The purpose of meeting was to come up with fundraiser ideas that would allow us to generate a profit to lend to others around the world in the hope to alleviate poverty. KIVA is a worldwide network of microfinance institutions which envisions a world where all people can create opportunities for themselves. This year we managed to raise and consequently lend over \$1300! This was a result of two major fundraisers we conducted this year; in November, we sold cupcakes for one week in the cafeteria, and in May, we sold freezes for one week throughout the hallways at lunch and after school. These fundraisers only demanded a few volunteer hours of our time, and we managed to lend money to 37 individuals around the globe as a result! These individuals will use this money to start or maintain a business, and once they create a profit, the money will be returned and lent to others in need. Therefore, this \$1300 will create possibilities for many individuals in the years to come. Our hope is to fundraise more money next year to make endless opportunities for an endless amount of people! Join the club next year if you didn't get a chance this year. It's an easy and efficient way to make a world of difference!

STUCK IN THE MIDDLE

THE CLASS OF 2012 THRIVES IN THEIR GRADE 11 YEAR

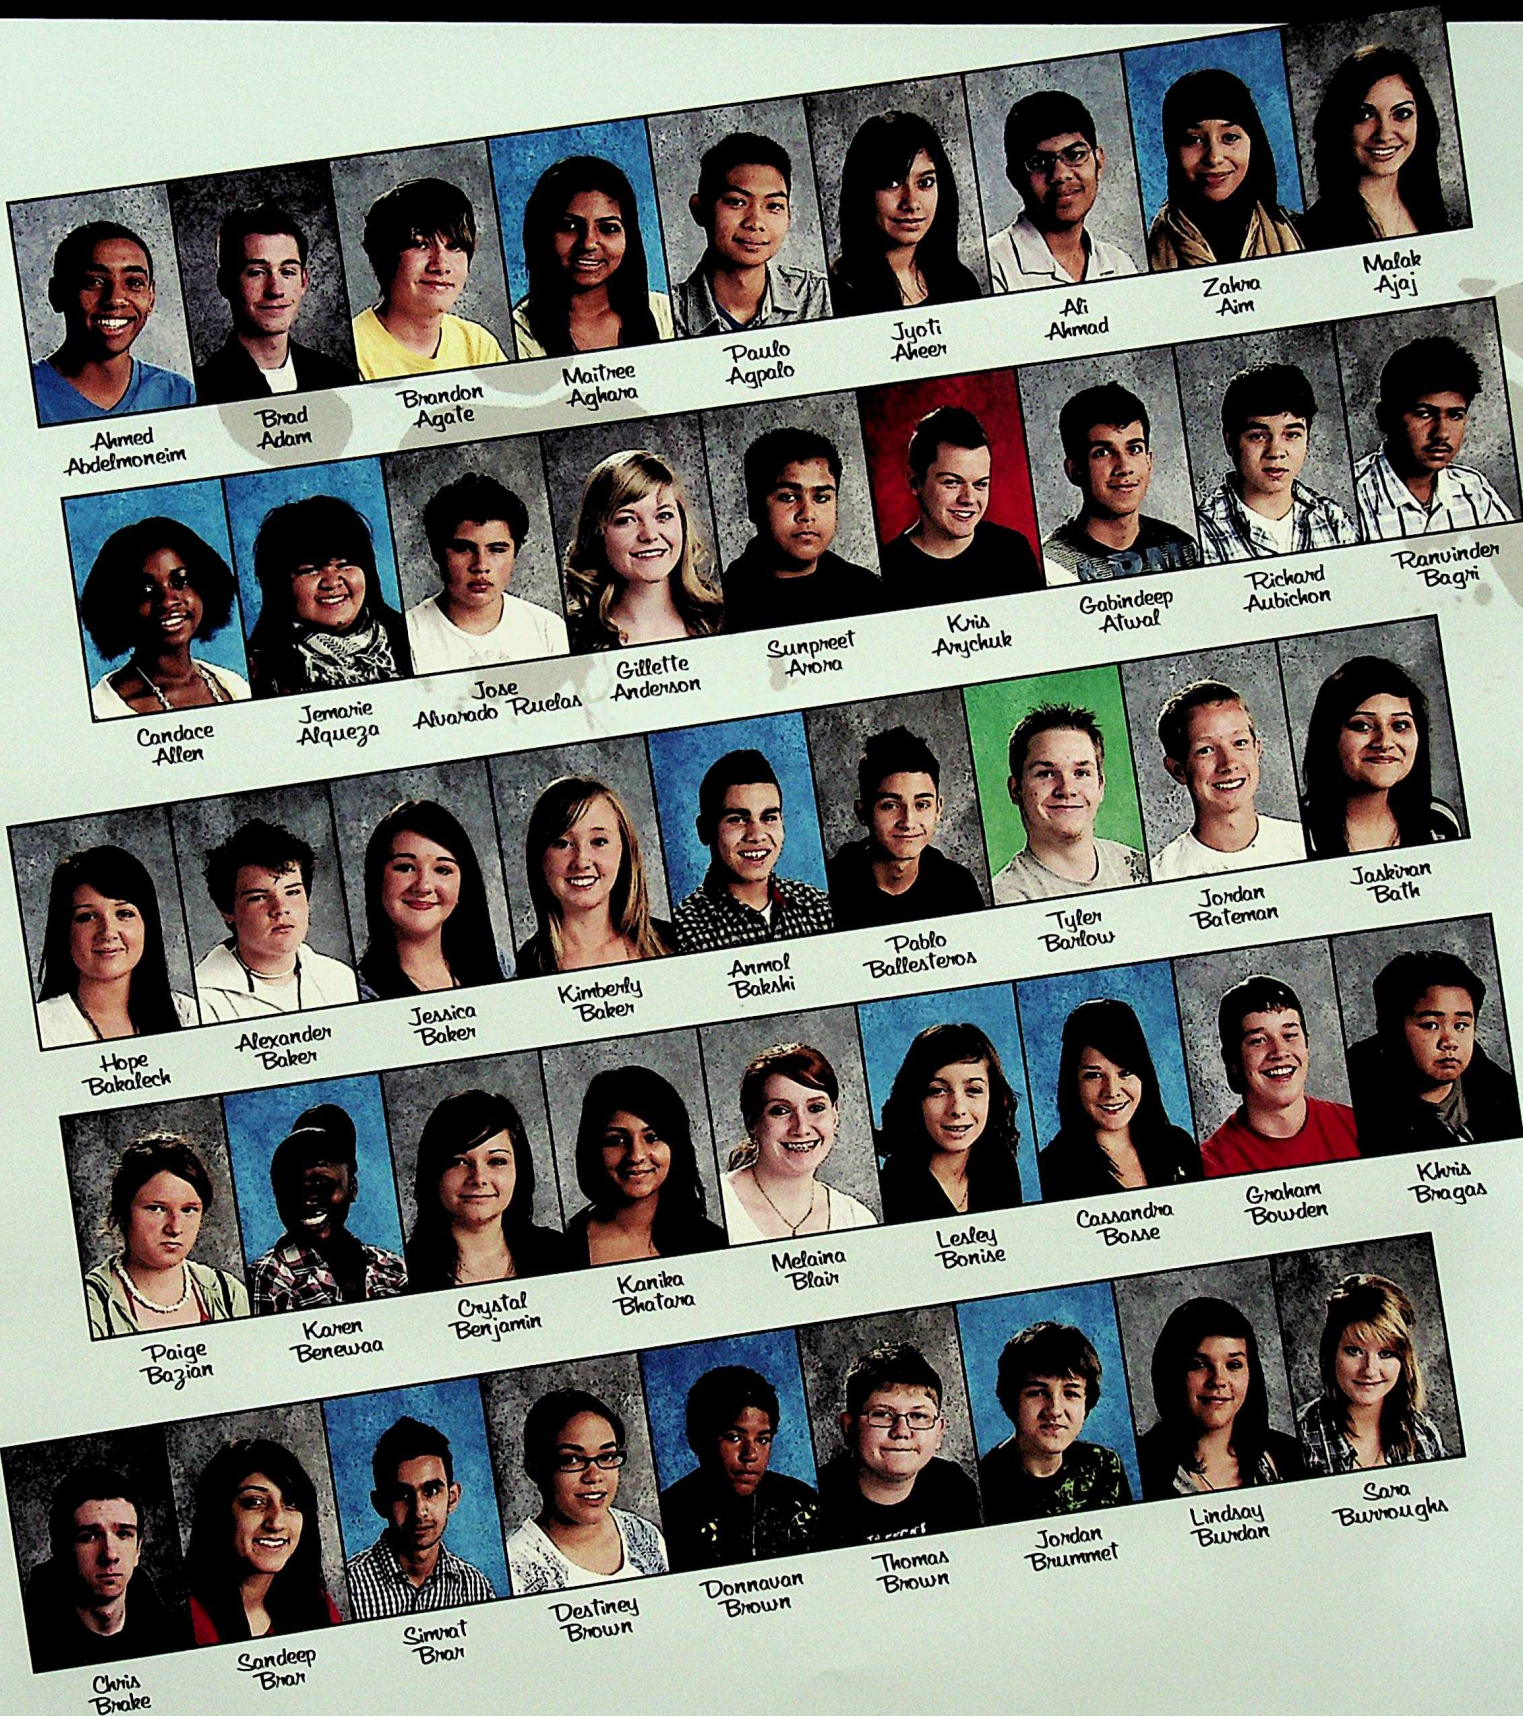

Grade 11 is an adventure. You're right in the middle - One step from the beginning and one step away from the finish line. Being in Grade 11 is definitely a learning experience. You learn more about high school, yourself, and what and who you want to be later in life. The challenges of Grade 10 - figuring out who you want to be friends with, what classes you want to take, how to navigate your way through high school life, both literally and figuratively - are left behind and a new sense of adventure and freedom to test your own limits takes over as you make sense of where you fit in best. The glory of Grade 11 is you're ready to move to higher limits, and as it all

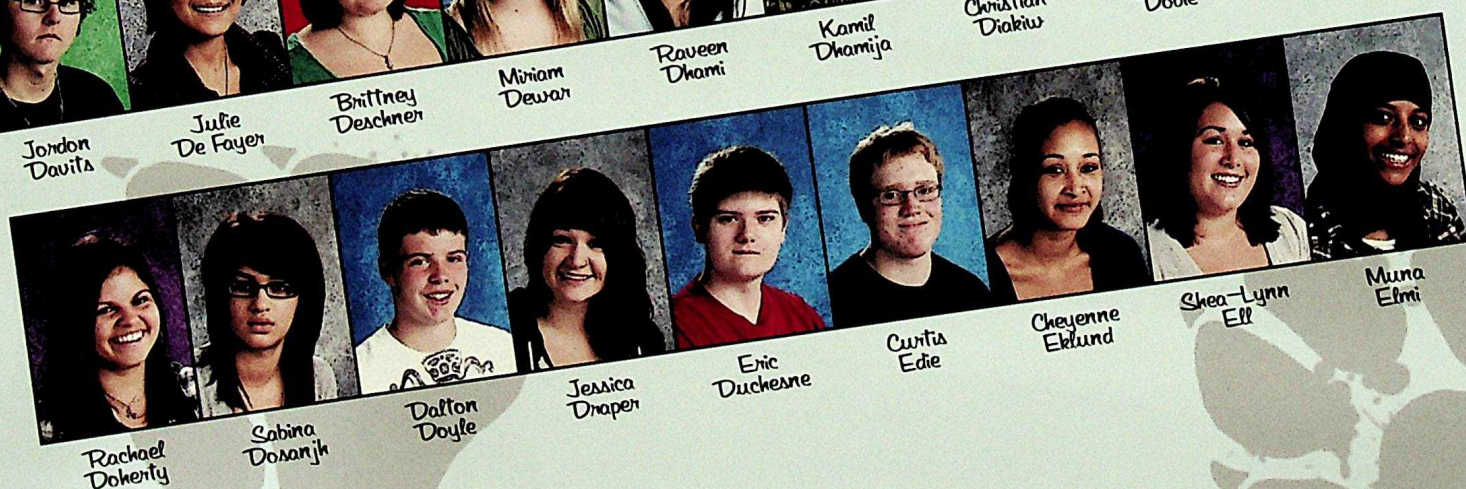

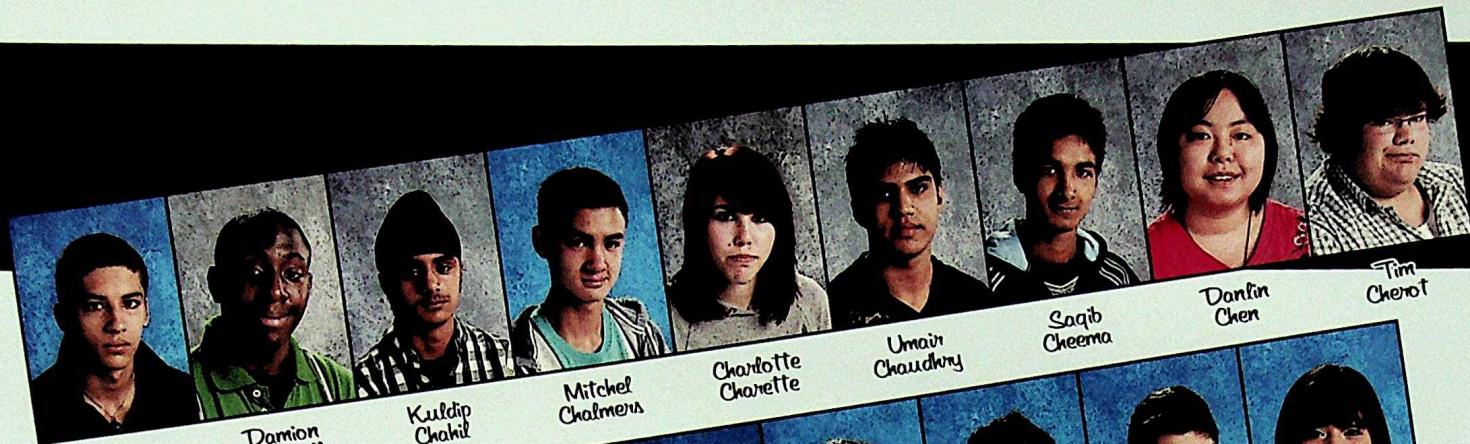

comes to a halt you really appreciate what a good time it has been. It sets you up and gets you ready for grade 12. Grade 11 has an almost perfect balance, it teaches you it is okay to fall as long as you pick yourself up again and keep going. Enjoy every minute of it and make it last because it's one year you'll always look back at with a lot of great memories to cherish.

THE GRADUATING CLASS OF 2011

*The Grade 12's Face the Road
Ahead After a Great Year at Page*

Congratulations J. Percy Page graduating class of 2011! High school days may be over, but it's not gone from our lives forever. We will be taking both grim and pleasant experiences we have come across and the memories we have made as our guide as we start the new chapters of our lives. Some of us will go to a post-secondary school, some will upgrade, and some will take a year off to work, but no matter how you want to start and spend the next chapter of your life, I wish you happiness and success. Also, on behalf of J. Percy Page Students' Union, I would like to extend my sincerest gratitude to everyone who supported and participated in many of our events throughout the year. From the welcome week in September, to 10 Days of Christmas, to Chinese New Year in February, to Touch of Class in March, to 30-Hour Famine in April, to Bike-A-Thon in May, the year is now over before we even knew it. I hope that you all enjoyed it as much as we did.

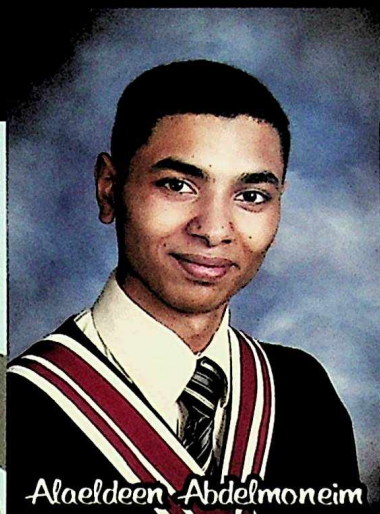

The Students' Union of 2011 wishes the graduates a happy and a successful future. Congratulations!

The Panther Football team coming back into a league which did not welcome them all the much came out and showed the bigger schools that they are back and watch out cause here comes the Panthers. We Started with a group of young Athletes that wanted to hit the football field with force and show them that this school can play the game with heart and soul and what they did was exactly that they showed the bigger schools in the city that they would not give up and go away the played like a panther. The team as it carried on built a strong bond with each other they wanted to play and fight for each other on that field. For a first year program getting back into the league we did really good won 2 regular season games and on playoff game making it to the semi-finals which in turn we lost to the top team in the league last year. They always kept a positive manner on the field. With the support of the school and the school body the buzz around the school was really exciting at what these 30 young football players accomplished in 1 year. I am looking forward to seeing those players return for next season as we move up to the senior level as these players will once again show those schools that the Panthers are back and with a hunger for some football. Being a part of the school has been a great feeling and love the fact that we have such great support from everyone in the school.

The J. Percy Page Cross-Country team had a strong 2010 Fall Season. We started the season at the annual Hawrelak Relay Race, having two teams compete in the 4 X 2Km event. The season continued at Gold Bar Park for two more races before the zone championships. Our top runner was Mitchell Chalmers who finished 28th to just miss out on Provincials. The team was a dedicated group and a pleasure to work with. Way to go, Panthers!

Page was the rage as they made their return to the Indoor Soccer League this year. Under the direction of Coach Prosser, Coach Trew and Coach Lyons the team saw unprecedented success. The team worked hard all season and played soccer that was enjoyable to watch with their swift passing and team-first attitude. The best memory would probably be the 5-5 draw they fought for against the eventual league champions.

The Jr. Ladies Volleyball season was positive season at J. Percy Page with many team and personal bests. Once again, it was a real pleasure working with these young athletes day in and day out on the hard wood for 10 weeks. The team finished in the top four of the City Conference, losing a hard fought, nail biter semi-final match 2-3 against Eastglen High School. Thank-you girls for a wonderful season, it was a pleasure coaching you and remember to keep playing volleyball on the hardwood or in the sand!

This year was a fantastic first year for this young team. League play went very well this season. The Panthers were the only team in the league that were able to give the powerful Wagner boys team a tough game. During practice games, our team was able to tie against them as well so the team gained a lot of confidence and momentum going into the Zone playdowns. The Panthers reached the A-final game against last years provincial champions and lost to an older more experienced team. Winning their way back into a B-Final game against Wagner, they lost a high scoring battle thus ending their hopes of winning the cities and advancing to the provincial playdowns.

Despite their disappointing loss, the team made huge improvements and are looking forward to playing again next season and trying to improve on our bronze medal this year.

We had an interesting season for the junior boys. It started with a major injury in our first game. As the season went along the team bonded together quite nicely and it showed on the court. We made it to the consolation finals of the MEL tournament and the finals of the Canmore Tournament.

We, as coaches, set out some goals to achieve for our regular season. We surpassed those goals which made us very happy with our season.

Thank you to graduating player Adam Prince, for his dedication and commitment to Page basketball for the past 3 years

Edmonton public created a three tier league this year, the senior men's team played in the top level. We placed 5th in a very competitive league

The coaching staff would like to thank all the graduating players for their time and effort, and wish them all the best in their future endeavors. To all returning players the hope is that the off season will bring about growth and refinement in their games so that the up coming season will bring about another successful basketball season here at Page.

2011 was another successful year for badminton at our school. We were able to send numerous team members to zones, where they competed valiantly but fell just short of the podium. Another rewarding season has ended for the senior girl's basketball team. If you watched any of the late games you would have seen a young team committed to improving their shot selection, ball movement and team defense. Practicing and playing almost 5 times a week this team was very busy and should be recognized for their hard work and efforts. All 10 players worked hard as a team and truly made this season a lot of fun to be apart of. They developed a close team relationship that was evident every time they competed. They assisted and supported each other at all times and have developed friendships that will last a lifetime. Thanks for a fun filled season with many lasting memories!

The J. Percy Page Golf team had a strong 2010 Fall Season. We started the season off with a tournament at Legends Golf Course in Sherwood Park before heading to the Zone Championships at Sandpiper Golf Course (girls) in St. Albert and The Links Golf Course (boys) in Spruce Grove. This year marked the first year that we have had a women's team and the three ladies had a strong showing for their first year of golf. We didn't have any golfer qualify for Provincials, however, all golfers shot personal bests in the fall. The team competed in two 'fun' tournaments and continued to develop their swings.

Finishing second in the city doesn't even begin to explain what a great season the Men's Outdoor Soccer team had. By the end of the season, including the final game, it was exciting to watch how well they controlled the play, moved the ball, and created scoring chances by using the whole team. No matter what the score was in the game they always worked incredibly hard to determine the pace of the game. We will for sure miss some of the players who were in their third final in a row but we look forward to see how the team will continue to grow and succeed starting next season.

This year one of the J. Percy Page Travel Clubs went to Italy and Greece. We had a wonderful time exploring Italy, seeing the Vatican, the Colosseum, Trevi Fountain in Rome, and then spending time in Florence and Pompeii. We also traveled to Greece and spent time in Athens and Delphi and then boarded a cruise ship to spend 3 days exploring the Greek isles. We even got to spend a day in Ephesus, Turkey wandering through the Kusadasi Bazaar.

STOP Club - Students and Teachers Opposing Prejudice

This is the first year of J. Percy Page's STOP Club. Our club met every Tuesday to share ideas, plan events and visit. Some of the highlights of our year include:

- Edmonton Public Library visit with LGBTQ literature to share
- Day of Pink celebration – the school turned out in full force to support awareness for bullying
- Bullying survey with shared results
- GSA roundtable meetings with other Edmonton Public Schools
- Selling rainbow beaded bracelets to raise money for the Youth Emergency Shelter
- Movie nights

Thanks to students and staff for the tremendous support for our club this year! We look forward to an exciting event-filled future.

J Percy Page SADD Club

SADD stands for Students Against Drunk Driving, and that's just who we are! As a result of the many lives that are lost to the mix of alcohol and driving each year, we are determined to prevent as many losses as possible. We make an effort to not only raise awareness about the dangers of drinking and driving, but also about the dangers of driving while distracted (such as simultaneously texting or talking on a cell phone). Recent studies have revealed that approximately 46% of drivers under the age of 18 text while driving; consequently, this has led to several accidents, and a considerable amount have included fatalities. While we raise awareness to avoid these risky behaviors, our goal is to additionally create opportunities for fun where alcohol is not involved. This year we created the "Safe Entertainment SADD Basket", which included several activities and gift cards to indulge in alcohol-free fun. Furthermore, we made a point to remind our graduates not to drink and drive on a night of celebration. In doing so, we put suckers on each graduate place setting, complete with a small ribbon reading: "Don't be a sucker; don't drink and drive." Our hope is that our message is not only heard, but also remembered. If you would like a chance to help alleviate the disastrous results of distracted driving, join the SADD club next year! We would love to hear from you!
